

Small Business Finance

# Online Workshop: How to Improve your Credit and get a Business Loan

**Did you know the #1 reason why business owners get declined is because of their personal credit? Learn how and what steps you can take to be loan ready.**

**Join Eddie Landeros, CDC Small Business Finance credit expert, and learn:**

- What a FICO credit score is
- What affects your FICO credit score
- Why FICO credit scores matter to lenders
- How to repair your credit
- What lenders look for when approving a loan

**Get started:**

**Attend one of our monthly online workshops**

When: Last Thursday of every month, 2pm

Where: via Webex

**Register via email: [elanderos@cdcloans.com](mailto:elanderos@cdcloans.com)**

**Have you seen  
your credit  
report lately?**

You can get a free  
annual credit report  
from one of the  
three major  
credit bureaus:

Experian

Transunion

Equifax
