“I know that when I team-up with Dean and Armen on a 504 loan that **they always deliver on their promises.** This gives me the confidence to set the proper expectations with small business owners from the onset of the lending process and build the trust that is necessary to foster a strong relationship.”

**Benjamin Stone-Walsh, Vice President
Wells Fargo**

CDC Small Business Finance leads the nation in providing low-interest, SBA 504 financing to help small businesses. In addition to SBA 504 Financing, CDC offers a variety of other loan programs with the goal of helping small businesses grow, expand, and create jobs.
